Pen Pal Program

Introduction / Introducción

The Pen Pal program aims to create community while students are socially distanced; a way to connect with students from different regions around the world, expanding their professional network, while practicing their language skills and engage in cultural exchange.

The program will pair ECR and Stockton students as pen pals then both can decide how they'd like to communicate: writing letters, emailing and/or video calls are some options.

El programa Pen Pal tiene como objetivo crear una comunidad mientras los estudiantes están socialmente distanciados; una forma de conectarse con estudiantes de diferentes regiones del mundo, expandiendo su red profesional, mientras practican sus habilidades lingüísticas y participan de un intercambio cultural.

El programa emparejará a los estudiantes de ECR y Stockton como amigos por correspondencia, luego ambos pueden decidir cómo les gustaría comunicarse: escribir cartas, enviar correos electrónicos y / o videollamadas son algunas opciones.
