Located in the heart of the historic "Duck Town" neighborhood of Atlantic City, Dante Hall was originally built in 1926 by St. Michael's Catholic Church. Dante Hall served the community of the neighborhood as a church hall, school gymnasium and community theater until it closed in 1988. In October 2003, Dante Hall reopened after a complete renovation, funded solely by the Casino Reinvestment Development Authority (CRDA). In 2011, The Richard Stockton College acquired the venue, allowing it to continue serving Atlantic City and surrounding communities as a home for the performing arts. By providing quality programming and performances to local communities, Stockton College and Dante Hall Theater aim to strengthen New Jersey's efforts in restoring Atlantic City as a cultural and family destination.
