Galloway Township, NJ - Classes begin **Saturday, Sept. 20** for Microsoft Certified Solutions Associate Certificate preparation programs at The Richard Stockton College of New Jersey.

The hybrid course, combining classroom and online work for greatest flexibility, is perfect for recently displaced workers or anyone who wants to take their Information Technology skills to the next level. The course runs from **Sept. 20 – Nov. 8**, with classroom sessions on Saturdays and online sessions on Tuesdays and Thursdays.

Stockton's MCSA preparation program will provide students with the knowledge and skills necessary to take the Microsoft certification exams. Please be sure to check the prerequisites for each course.
