

Class of 2024

Welcome to Stockton University!

School of Business (BUSN)

Home to four undergraduate programs, three program minors, as well as an accelerated dual degree program and two graduate programs, the School of Business (BUSN) offers students a high-quality, affordable undergraduate and graduate education strongly infused by the liberal arts with many exciting opportunities to participate in experiential learning within the various fields of business education. All of our programs offer optional areas of concentration, areas of interest, internships, service learning, independent study and undergraduate research experiences.

Our outstanding faculty will guide you through a curriculum designed to enhance your understanding of the best practices in a changing business world. Faculty in the School of Business have specialized industry experience, produce scholarly works that advance the knowledge and practice of business, hospitality and tourism management, and computer science and information systems. The valuable insights and skills you gain will serve you well, regardless of your chosen career path. For more information, check out our website:
