ARTICLE I

ARTICLE III

Board of Trustees

Section 1 Establishment

The Board of Trustees is established pursuant to Title 18A of the New Jersey Statutes Annotated (N.J.S.A.) which states, in part, that "the Legislature hereby finds that it is in the best interest of the State that the state colleges shall be and continue to be given a high degree of self-government and that the government and conduct of the colleges shall be free of partisanship. The Legislature finds further that a decentralization of authority and decision-making to the boards of trustees and administrators of the state colleges in the areas of personnel, budget execution, purchasing and contracting will enhance the idea of self-government."
Section 2 Membership

The Board of Trustees shall consist of between seven (7) and up to fifteen (15) members appointed, pursuant to N.J.S.A. 18A:64-3 by the Governor of the State of New Jersey with the advice and consent of the New Jersey Senate, two (2) student trustees elected by the student body (one voting student trustee and a student trustee alternate), and the President of the University, who shall serve as a member of the Board, without vote, however, can be counted for the purposes of determining a quorum. At such time as the then Board of Trustees deems it necessary or desirable, the number of members may be increased by a majority vote of the members of the Board of Trustees present and voting at two successive regularly scheduled meetings of the Board. Under no circumstance shall the number of members, with a right to vote, exceed fifteen (15). All members of the Board shall serve without compensation but shall be entitled to reimbursement for all reasonable and necessary expenses.

Section 3 Trustee Emeritus

After leaving Board membership, a trustee member who has served a full six-year term and who has provided outstanding service, shall be eligible for nomination as a Trustee Emeritus. Election to Trustee Emeritus status shall be by majority vote of the Board, upon nomination by the Executive Committee. A Trustee Emeritus shall serve for a term of two years and may be re-elected without limit. While the position is non-voting with regard to official actions of the Board, a Trustee Emeritus may be invited to participate in all Board meetings and functions, will be eligible to be appointed by the Chair to serve on any of the Board’s advisory special committees, and may be called upon to assist the Board and the President in those matters where the individual’s interest, experience and expertise will best serve the University. The number of such positions is discretionary with the Board. However, the honor will be reserved for individuals with a record of distinguished service.

Section 4 Duties and Powers

The Board of Trustees shall have all the powers and duties granted to it by law. Incorporated by this reference are the provisions of N.J.S.A. 18A: 64-1 et. seq. and all amendments and additions thereto as may, from time to time, be enacted. The Board shall control and manage the affairs of the body corporate and shall exercise all such powers and do all such lawful acts and things necessary or expedient in the control and management of the affairs of the body corporate as are not by statute or by these bylaws, otherwise to be exercised. The Board of Trustees may adopt such rules, regulations, and policies for the conduct of its meetings and the management of the body corporate as it may deem appropriate and necessary, consistent with said laws.

Section 6 Quorum

A quorum for the transaction of business shall be a majority of Trustees currently serving as members of the Board of Trustees. Seats that have been vacated by death or resignation shall not be counted for the purpose of determining a quorum. Each trustee shall be entitled to one vote. In the absence of a quorum, the Trustees present at any meeting may receive reports and adjourn the meeting until such time as a quorum shall be present.

Section 7 Attendance

Trustees are expected to attend all meetings of the Board. No Trustee may be absent from three consecutive public meetings without written authorization from the Chair of the Board of Trustees; nor may a Trustee be absent from more than half the public Board meetings in any twelve-month period counted from the annual reorganization meeting. RESOLUTION

APPROVAL OF ACTION FOR UNIVERSITY POLICY

WHEREAS, the Board of Trustees is responsible for establishing the policies of Stockton University; and

WHEREAS, the policies of the University continue to be reviewed by appropriate offices and individuals, with updates and revisions proposed as needed; and

WHEREAS, the proposed development of policies of the University have been further reviewed utilizing input from interested parties; and

WHEREAS, the review of policies resulted in a recommendation by policy administrators to delete the following policies:

- III-100 Educational Opportunity Fund Program
- VI-12.1 New Jersey State Compensation Plan

the Board of Trustees has completed a first review of this policy action on February 20, 2019; therefore be it

RESOLVED, that the Board of Trustees approves deletion of the policy as recommended.

May 1, 2019
Title 9A:11 of the NJ Administrative Code (N.J.A.C.) governs all aspects of the Educational Opportunity Fund, to include administrative procedures and policies. Title 9A:11 is referenced throughout our University procedures pertaining to the EOF program thus making this Policy redundant. Accordingly, Policy III-100 should be officially deleted and removed from the University’s web content management system.
ELIGIBILITY REQUIREMENTS FOR A STOCKTON E.O.F. GRANT

I. PURPOSE:

To describe the policies governing the eligibility requirements of Stockton University's Educational Opportunity Fund Program.

II. OVERVIEW:

A. The Educational Opportunity Fund (EOF) is a restricted financial aid program which limits its grants to disadvantaged, low-income families as well as educationally disadvantaged students. EOF is not an open door admissions policy. Ultimate decision for admission to an EOF Program rests with the Office of Enrollment Management.

B. The guidelines which govern the EOF program are contained in a publication entitled Chapter II Educational Opportunity Fund: Administrative Procedures and Policies. These policies and guidelines reflect the mandates and directives created by an act of the New Jersey State Legislature.

III. POLICY:

To be eligible for the E.O.F. Grant, an applicant must satisfy the following criteria:

A. Residency: An applicant must demonstrate that he/she has been a legal resident of New Jersey for at least 12 months before receiving...
an E.O.F. Grant. An applicant whose parents or guardians are not legal residents of New Jersey is presumed to be in the state for the temporary purpose of obtaining an education.

B. Academic: Applicants who do not demonstrate sufficient academic preparation for regular admission but exhibit evidence of academic potential are encouraged to apply to the E.O.F. program.

C. Financial: To be eligible for an E.O.F. grant, a student must demonstrate that he or she meets the financial criteria as either a dependent or independent applicant.

D. Dependent Applicant: The dependent applicant is one who normally resides with his or her parents or guardians or is claimed as a dependent for the calendar year on income-tax forms.

E. Independent Applicant: The independent applicant is one who, during the 12 months preceding application, has not resided with his or her parents or guardians for more than six consecutive weeks; has not been and will not be claimed by any person (excluding spouse) as an exemption for income-tax purposes and is able to document his or her ability to support himself or herself through his or her own resources, exclusive of financial aid. An independent applicant is financially eligible for an E.O.F. grant if his or her annual income (including spouse’s) does not exceed the financial criteria established by the State of New Jersey.

An independent applicant's income is not added to that of his or her parents or guardians. In cases where the independent applicant's parents or guardians are receiving welfare support, parental income eligibility is presumed to have been met. An independent applicant may submit evidence of a background from a "high distress area" in lieu of specific information concerning parents' or guardians' income.

E.O.F. STUDENT PARTICIPATION IN SUMMER PROGRAM

I. PURPOSE:

To describe the policy governing a student's participation in the E.O.F. Summer Program.

II. POLICY:

Students who have been admitted to the E.O.F. Summer Program are required and expected to participate fully in all the activities (classes, tutoring, morning
exercises, etc.) and components of the summer program unless limited by special needs or physical limitations.

Unjustified and/or unauthorized absence from the Summer Program may lead to dismissal (ref. Dismissal Policy E.O.F. Summer Program).

ALCOHOL AND DRUG POLICY FOR E.O.F. SUMMER PROGRAM

I. PURPOSE:

To describe the policy governing the use of alcohol and drugs during the E.O.F. Summer Program.

II. POLICY:

A. Alcohol: The use of alcohol during the E.O.F. Summer Program is strictly prohibited for all students participating in the Summer Program. Violators of the alcohol policy may be subject to immediate dismissal from the E.O.F. Summer Program.

State Law restricts drinking to individuals 19 years of age and older. Individuals providing alcohol to persons under the legal age will be prosecuted. Members of the E.O.F. Summer Program (students and staff) who provide alcohol to students in the E.O.F. program will be prosecuted and dismissed.

B. Drugs: Students possessing, using and/or distributing drugs will be prosecuted and subject to immediate dismissal from the program.

PHILOSOPHICAL FOUNDATIONS OF THE SUMMER E.O.F. PROGRAM

I. PURPOSE:

To describe the general philosophical foundation of the E.O.F. Summer Program.

II. POLICY:

A. Overview: The Educational Opportunity Fund Program is designed to meet the needs of students whose potential for college is limited by academic and economic constraints. All freshman students found financially eligible and academically admissible to the E.O.F. Program must participate in the Summer Program prior to enrollment in the Fall term.

The Summer Program focuses on developing and challenging multiple
facets of the individual. The program features a team building design through which students bond together and become members of the E.O.F. family.

B. Assumptions: All members of the E.O.F. Team (faculty, staff, coordinators and tutors) have a strong belief that students have the ability to be successful. Success means passing courses, being challenged and enjoying the effort.

1. The team requires Dignity, Intensity and Pride.

2. This enthusiasm requires that students put forth their best efforts. Faculty and staff, in turn, are pledged to do everything possible to assist, encourage and support students.

3. Extraordinary effort and intensity are required to try to assure a successful transition from high school to college and from the Summer Program to Fall semester classes.

E.O.F. SUMMER PROGRAM VISITING RIGHTS

I. PURPOSE:
To describe the policy governing the visiting rights of students participating in the E.O.F. Summer Program.

II. POLICY:
A. Visitors: Students participating in the E.O.F. Summer Program may not host any visitors (friends) in their respective apartments unless authorized by the Director of the E.O.F. Program.

B. Overnight Visitors: Overnight quests are strictly prohibited.

E.O.F. SUMMER PROGRAM FOOD SERVICES

I. PURPOSE:
To describe the policy governing food services throughout the Summer Program.

II. PROCEDURE:
A. Students: Food services will be provided according to the publicized schedule to all students in the E.O.F. Summer Program. Students will be provided three (3) meals each weekday and two (2) meals on each day
of the weekend.

B. Conduct: It is expected that all students will be courteous to all employees of the Food Service provider. All problems should be reported to the Residential Coordinator(s).

E.O.F. SUMMER PROGRAM HEALTH AND SAFETY REQUIREMENTS

I. PURPOSE:

To describe the policy that broadly defines the responsibility placed upon E.O.F. Summer Program staff regarding health and safety.

II. POLICY:

Title 4A of the NJ Administrative Code (N.J.A.C.) governs all aspects of employment for civil servants (classified employees) and/or those employees covered by a CBA (which typically are classified employees), to include compensation. Title 4A is referenced throughout our Policies and Procedures pertaining to this specific employee group thus making this Policy redundant. Accordingly, Policy VI-12.1 should be officially deleted and removed from the University’s web content management system.
I. POLICY:

A. The State Civil Service Commission will establish the State Compensation Plan. This is the official plan for compensating all employees.

B. The Board of Trustees of the University fixes the compensation of all Unclassified Staff in accordance with the State Compensation Plan. Such personnel actions are subject to proper recording by the Department of Civil Service and approval by the Division of Budget and Accounting.
