Index Cross-References: Policy VI-23 Managerial Hours of Work

Policy File Number: VI-11.1

Approved By: Board of Trustees (pending)

Departmental Office Hours - The University requires that all offices have staff coverage minimally from 8:30 a.m. to 5:00 p.m. Monday through Friday. Staff may be required to have staggered starting and departure times to conform to the hours of coverage needed. This will be determined by the supervisor of the employing department.

Work Week - Regardless of the scheduled starting time, the standard hours for a work week are determined by the civil service title for a position.

Lunch Periods - Lunch periods are one hour or less in length. The department supervisor may assign staggered lunch hours to provide for adequate coverage. All offices should have complete telephone and office coverage at all times; whenever one must leave the office for any reason, co-workers should be advised.

Breaks - In accordance with the collective bargaining agreements, each employee will be given two 15-minute breaks. One is to be taken in the morning, and one in the afternoon. The unit supervisors will assign these breaks to ensure proper staff coverage of their offices. These breaks may not be combined or used by the employee at the beginning or end of the day or lunch period.

Emergency Closing - Normally the University will remain open to meet scheduled classes. This includes being open during periods of inclement weather. Closing of University facilities can be ordered only by the President or a designee. Evacuation of the University buildings, for example during report of a bomb scare, does not constitute the closing of the University and employees are expected to promptly return to the building at the end of the evacuation period.

If University facilities are ordered closed by the President or designee, then an excused non-chargeable absence will be granted to that group of employees specifically included in the emergency closing order. Unless notified that they or their shift is excused, essential employees are expected to report to work.

During inclement weather (for example a severe snowstorm) essential employees are expected to report to work after exercising caution and prudence in making the trip. Employees not present for duty will be charged with the loss of leavetime.

ARTICLE II

Seal

The body corporate shall have a seal adopted by the Board of Trustees, the form and design of which is illustrated above. The custodian of the seal shall be the Secretary or the Assistant Secretary of the Board of Trustees.

ARTICLE III

Board of Trustees

Section 1 Establishment

The Board of Trustees is established pursuant to Title 18A of the New Jersey Statutes Annotated (N.J.S.A.) which states, in part, that "the Legislature hereby finds that it is in the best interest of the State that the state colleges shall be and continue to be given a high degree of self-government and that the government and conduct of the colleges shall be free of partisanship. The Legislature finds further that a decentralization of authority and decision-making to the boards of trustees and administrators of the state colleges in the areas of

personnel, budget execution, purchasing and contracting will enhance the idea of self-government."

Section 2 Membership

The Board of Trustees shall consist of between seven (7) and up to fifteen (15) members appointed, pursuant to N.J.S.A. 18A:64-3 by the Governor of the State of New Jersey with the advice and consent of the New Jersey Senate, two (2) student trustees elected by the student body (one voting student trustee and a student trustee alternate), and the President of the University, who shall serve as a member of the Board, without vote, however, can be counted for the purposes of determining a quorum. At such time as the then Board of Trustees deems it necessary or desirable, the number of members may be increased by a majority vote of the members of the Board of Trustees present and voting at two successive regularly scheduled meetings of the Board. Under no circumstance shall the number of members, with a right to vote, exceed fifteen (15). All members of the Board shall serve without compensation but shall be entitled to reimbursement for all reasonable and necessary expenses.

Section 3 Trustee Emeritus

After leaving Board membership, a trustee member who has served a full six-year term and who has provided outstanding service, shall be eligible for nomination as a Trustee Emeritus. Election to Trustee Emeritus status shall be by majority vote of the Board, upon nomination by the Executive Committee. A Trustee Emeritus shall serve for a term of two years and may be re-elected without limit. While the position is non-voting with regard to official actions of the Board, a Trustee Emeritus may be invited to participate in all Board meetings and functions, will be eligible to be appointed by the Chair to serve on any of the Board's advisory special committees, and may be called upon to assist the Board and the President in those matters where the individual's interest, experience and expertise will best serve the University. The number of such positions is discretionary with the Board. However, the honor will be reserved for individuals with a record of distinguished service.

Section 4 Duties and Powers

The Board of Trustees shall have all the powers and duties granted to it by law.
