Part time (1-2 courses per semester)

Full time (3-4 courses per semester)

Eligibility:

To be accepted in this program, and to remain in it, requires a GPA of 3.5 or above. Please confirm your eligibility by checking the box below.

- My Stockton GPA is currently 3.5 or above

Please attach a one page essay (no more than 300 words) describing what your professional goals are and how this program will help you progress towards those goals.

- Essay attached

Your document should be presented in professional form (e.g. it should be typed, spell-checked, and should use proper sentences and paragraphs).

Dual Degree Program Notes

Students must maintain a GPA of 3.5 to remain in the Dual Degree program.

If you expect to be admitted to this program (now or later) do not take PLAW 2120 or PLAW 3110 (you will take a PLAW/Business Law course when you reach the MBA level).

If accepted, you may start taking MBA courses in your senior year, which will also be used to complete your undergraduate degree requirements. You may take up to 12 MBA credits (four MBA courses) while remaining in undergraduate status.

You must apply for undergraduate graduation before registering for your 5th MBA course.

By printing your name on this line, you are agreeing to the terms and conditions of entry into the program.

I have read the above requirements, understand the eligibility and program requirements, and I wish to participate in the Accelerated Dual Degree in Business program.
