

Statewide Domestic Violence Service Providers

The Division on Women’s mission is to create, promote and expand the rights and opportunities for all women in the State of New Jersey. The Division on Women (DOW) ensures culturally relevant, inclusive, and accessible services are provided to meet the needs of historically marginalized and underserved communities.

DOW administers state and federal funding and oversees programming in the areas of domestic violence, sexual violence; cultural inclusion and accessibility; prevention; economic self-sufficiency and financial empowerment; and policy and assessment.
