Dear Alejandra Londono,

Thank you for having my team at Dante Hall for the Power of the Hispanic Vote. As you know one of my biggest goals as Atlantic County's Superintendent of Elections and Commissioner of Registration is public outreach. The right to vote is an important civil right as well as a civic responsibility. There are many ways a person desiring to vote may obtain a NJ Voter Registration Application Form, senior assemblies, local festivals, and other well attended functions throughout our county. It is also a great way to supply important dates for upcoming Elections.

As we continue this office's 2016 outreach program it is vital that we get your feedback on how to better serve our community as a whole and reach the maximum number of eligible voters. It is with your help that together we can increase voter awareness while decreasing inconveniences at the polls on Election Day. Please take a moment to note any comments, questions or concerns. My team and I greatly appreciate you taking the time to participate in Atlantic County's Voter Outreach Program.

Sincerely,

**Maureen G. Bugdon**  
Superintendent of Elections
