

The Bergen County Association of School Administrators (BCASA) is excited to announce its fifth annual Education Job Fair on Saturday, March 25, 2023, held in Upper Saddle River School District. Past county job fairs have drawn between 600 - 800 candidates. The link to the candidate registration form can be accessed [here](#).

The BCASA Education Job Fair will bring together school leaders from over 70 districts across the county where candidates will have the opportunity to meet district personnel for prospective teaching and non-teaching positions. There is no cost to participate in the job fair, and candidates will have direct access to “meet and greet” sessions to establish connections for prospective employment. This year, BCASA will be offering candidates workshops at the job fair for individuals to sharpen their professional skills, enhance their preparedness for a new role, and understand district expectations for long-term career success.

We ask for your cooperation and support in distributing the attached brochure with the candidate registration [link](#). . Feel free to contact the BCASA planning team if you have any questions or suggestions. Our direct contact is Dr. Brad Siegel, Superintendent of Schools in Upper Saddle River School District (bsiegel@usrschools.k8.com or 201-961-6502) or Ms. Christi Cipollini, Supervisor of Personnel and Staff Development (ccipollini@usrschools.k8.com).

Sincerely,

The BCASA Job Fair Planning Committee
