Dear Chad,

Please ONLY complete this form while you are talking with your preceptor. The completed document will be emailed to you and to your preceptor, Professor Tinsley, to verify that you participated together.

Your preceptor will ask you to read some information on the screen to compare it with information in Degree Works, and request updates, if needed. Please be sure to read back all advice your preceptor asks you to type in this form to be sure you've heard it correctly.

Please remember to ask Professor Tinsley before you click the blue button at the bottom of the screen to be sure you're both ready to continue.

vacations/travel) with your preceptor and make a plan to check with the Education office staff during your absence.

Substitute Teaching

Districts often require substitute certification in place to complete clinical hours including student teaching in their buildings. For this reason, we strongly recommend you obtain yours. Additionally, schools are paying \$125-\$175 per day to anyone with a substitute teacher certification. We strongly recommend you obtain your substitute certification. Instructions on how [here](#).

Accommodations:

If you need accommodations for a P-12 clinical/fieldwork setting contact [Learning Access](#) and email FieldDirector@stockton.edu so that we can make arrangements with you. Accommodations filed with the University do not automatically apply to field-based clinical hours."

Looking Ahead to Final Clinical Practice

Student teaching is a full-time, unpaid internship. You will begin with the P-12 school calendar, not Stockton University's academic calendar. Check your district calendar for the fall start date which could be at the end of August.

Success in Student Teaching

You will report to your school daily (M-F) following their schedule, so you cannot work or make any other obligations during the school day. Do NOT schedule any vacations during student teaching. Note that school closures may result in additional mandatory days on weekends or holidays to meet state requirements. You must be available during the entire internship period.
