

My name is Katina Lampropoulos, and I am currently an Art Teacher for K-5 at Durand Elementary School in Vineland, NJ. I am reaching out to see if any recent graduates are interested in applying for a long-term substitute position on my behalf, from January-June. I am reaching out because, as I am sure you've heard, substitutes are few and far between. If anyone comes to mind with the credits, whether it is an Art Major, Elementary Certified or better yet, Art Education Certified student/graduate, I would appreciate it if you would have them reach out to me.

Thank you,

Katina Lampropoulos (klampropoulos@vineland.org)
