BA in Liberal Arts w/Language Arts & Social Studies Concentration **ELEMENTARY CERTIFICATION (K-6) with SPECIALIZATION (6-8)**

Revised 09/28/2018

While all bachelor programs require a minimum of 128 credits and a 2.00 cumulative GPA, the New Jersey Department of Education requires a 3.0 cumulative GPA to be certified. Students in this concentration must complete a LIBA major with accompanying EDUC courses as shown. A grade of "C" or better is required in all content courses and a B- or better in professional education courses. We recommend earning additional middle school endorsements beyond the two included on this worksheet. See attached recommendations that prepare students for the Elementary Praxis II and for the Middle School Praxis exams.
