BA in Liberal Arts w/Elementary Education Concentration
ELEMENTARY CERTIFICATION (K-6) with SPECIALIZATION (6-8)
Revised 09/28/2018

While all bachelor programs require a minimum of 128 credits and a 2.00 cumulative GPA, the New Jersey Department of Education requires a 3.0 cumulative GPA to be certified. Students in this concentration must complete a LIBA major with accompanying EDUC courses as shown. A grade of "C" or better is required in all content courses and a B- or better in professional education courses. A minimum ACCUPLACER score of 55 is needed for entrance into MATH 1100. We recommend earning additional middle school endorsements beyond the two included on this worksheet. "The student is responsible for ensuring that all graduation requirements are met" (Bulletin). For recommendations that prepare students for Praxis exams visit www.stockton.edu/educ.
