If you need accommodations for a P-12 clinical/fieldwork setting contact [Learning Access](#) and email FieldDirector@stockton.edu so that Ms. Houser can make arrangements with you.

If you are interested in substitute teaching while you are still in our TEDU Program see the [Teacher Education Handbook](#).

You must take, pass, and file your Praxis II and any other State of NJ required certification exams with the School of Education prior to applying for and being placed in Clinical Practice II.

The deadline to file passing Praxis II scores with the School of Education for CP II placement is **April 1st for a FALL placement** and **October 1st for a SPRING** placement. ETS has a policy requiring students to wait up to 35 days before retaking a failed Praxis exam, so make a fall-winter plan and leave time to retake.

Mandatory meetings can occur between terms. Discuss planning any time away with your preceptor and make a plan to check with the Education office staff during your absence.
