Faculty Senate Resolution on Campus Climate Survey

Background

In 2016-17, the Committee on Campus Diversity & Inclusive Excellence's (CCDIE) developed, distributed, and analyzed its first-ever employee campus climate survey conducted, with the support of the Office of the President and the Faculty Senate. A summary of the 2016-17 survey is on the Office of Diversity & Inclusion [web page](#) under the button, Campus Climate Surveys. Several recommendations were written by Dr. Zornitsa (Zori) Kalibatseva (Psychology) in her report, titled "*Summary of the 2016 Employee Campus Climate Survey Report and Actions Related to the Report Recommendations.*"

Motion

The Faculty Senate proposes to re-engage with the administration to participate in developing of a comprehensive campus climate survey. The proposed participation be inclusive of faculty representation at the survey drafting stage, in data collection, analysis, and report writing. Furthermore, the results from the survey should be shared publicly with the Stockton community.
