Definitions

- *Educational Sanctions* – These sanctions will be attached to an organization’s Probation. Educational sanctions should promote learning and understanding and provide opportunities to repair harm to the greater community.
- *Social Probation* - Organization may not host events with alcohol during this time period.
- *Deferred Suspension* - Organization may continue to regularly function, but failure to follow policies or regulations during this time will result in potential suspension and/or additional sanctions.
- *Suspension* – Suspension signals a temporary cessation of all organization activities. Suspension terms will be established based on the nature and severity of the offense (including past discipline history).
- *Withdrawal of University Recognition* – University recognition is withdrawn for a fixed period of time, during which the organization may no longer operate on campus. At the end of the fixed period, the organization may re-apply for university recognition. Failure to comply with this status will jeopardize the organization’s ability to re-apply for university registration.
