

CALL FOR PUBLIC COMMENTS
PUBLIC MEETING
REGARDING STOCKTON UNIVERSITY'S
MASTER OF SCIENCE IN COMMUNICATION DISORDERS
PROGRAM

In accordance with the Council on Academic Accreditation's (CAA) Public Comment policy and procedures, the CAA is seeking public comment as part of its review of the master's program in speech-language pathology at Stockton University that has submitted an application for continued accreditation and is anticipating a virtual site visit on November 29-30, 2021.

Individuals who wish to provide input about a program continued accreditation may do so in 2 ways:

1. Submit written comments **prior** to the accreditation site visit. All comments are due in the Accreditation Office no later than 15 days before the first day of the scheduled site visit. Comments received after this time will not be forwarded to the site visit team for consideration during the accreditation review, in accordance with the procedures specified in Chapter XII of the Accreditation Handbook (<https://caa.asha.org/siteassets/files/accreditation-handbook.pdf>).
2. Provide comments to the site visit team **during** the program's scheduled site visit, such as during the **public meeting**. **A public meeting for this purpose has been scheduled for 5:00pm-5:30pm (Eastern time) on Monday November 29, 2021.** The meeting will be scheduled via the ZOOM platform. Please see instructions at the bottom of this page for receiving the ZOOM link.

All comments must:

- Relate to a program's compliance with the current Standards for Accreditation (<https://caa.asha.org/siteassets/files/accreditation-standards-for-graduate-programs.pdf>)
- Identify the specific program seeking continued accreditation with the CAA
- All written testimony—including comments faxed or submitted as e-mail attachments—must include the commenter's name, address and telephone contact information and the commenter's relationship to the program in order for Accreditation staff to verify the source of the testimony. All comments must be signed.

Comments that do not meet these requirements will not be considered, and the individual or group commenting will be notified.

To ensure the integrity of the public meeting, we are asking that interested parties pre-register for the meeting. **You may pre-register by e-mailing Dr. Amy Hadley, Program Chair:**
