| 9  | I am interested in obtaining a SIPI certificate   |                          |                 |                |              |                       |
| 10   | I am interested in attending Stockton's practicum instructor orientation and training (18 Free CEUs offered every summer)   |                          |                 |                |              |                       |
| 11   | The student intern was adequately prepared to begin the practicum experience  |                          |                 |                |              |                       |
| 12   | The student intern received an orientation to the agency  |                          |                 |                |              |                       |
| 13   | The student intern was provided with regular and consistent supervision   |                          |                 |                |              |                       |
| 14   | The student's performance, attendance, attitude toward the practicum experience was at the level expected of an MSW intern  |                          |                 |                |              |                       |
| 15   | I was provided with sufficient material to understand the goals and objectives of the Social Work program                   |                          |                 |                |              |                       |
| 16   | I was prepared to understand the social work program's practice behaviors and competency areas                              |                          |                 |                |              |                       |
| 17   | I understand how the practicum curriculum relates to the practice behaviors and competency areas                            |                          |                 |                |              |                       |
| 18   | I was able to assist the student in connecting actual agency activities and experiences with the behaviors and competencies |                          |                 |                |              |                       |
| 19   | The contacts I had with the practicum liaison were helpful  |                          |                 |                |              |                       |
| 20   | The practicum manual was a helpful resource   |                          |                 |                |              |                       |
| 21   | I am willing to continue as a practicum instructor for the social work program  |                          |                 |                |              |                       |
