Call for Applications – Updated June 15, 2020

Employment Opportunity: Educational Specialist for Digital Learning at Oregon Jewish Museum and Center for Holocaust Education

“The Education Specialist for Digital Learning works under the guidance of the Manager to develop the content and implementation strategy for launch and growth of the Museum’s new remote learning initiative, bringing the museum and its lessons to students and other audiences. The duties of this position include but are not limited to creating, organizing, and facilitating remote learning opportunities for students and educators; developing digital resources for programs, projects, and exhibitions; and collaborating with Education colleagues on existing and new initiatives. This is a 12-month contract position with the opportunity to extend into a permanent position.”
