\*May be taken upon completion of 24 credits in the MAED/MAIT program

Students who are already matriculated in a Master's degree program at Stockton University and want to pursue a supervisory endorsement may begin to take courses from the restricted elective list at any time in the program and may take the required courses upon completion of 24 credits. Students must have taught for three years and have completed their Master's degree before being eligible for the endorsement.

Possible Sequence of Courses

<b>Fall 1</b>	<b>Spring 1</b>	<b>Summer 1</b>
EDUC 5430 – School Leadership and Decision Making	EDUC 6132 – Curriculum Development, Implementation and Evaluation  EDUC 6120 – Principles of Supervision	EDUC 6131 – Curriculum Theory and Development

This is only one possibility for the sequence of courses to complete the MAED with principal and supervisor endorsements. All students should meet each semester with their preceptor to map out a pathway based upon their own needs.
