

Nellie Flynn is a bilingual Spanish-English speaking Speech-Language Pathologist. She is the owner of a small private practice, Wayfinders Therapy Center, LLC, in the Southern New Jersey area. She also works part-time at Cooper University's Outpatient Pediatric Program. Nellie has extensive experience working with gestalt language processors and is a paid consultant for Marge Blanc's Communication Development Center. Nellie has presented on Natural Language Acquisition and Gestalt Language Processing both nationally and internationally. Nellie is a 2022 ASHA presenter. She also provides consultation for parents and professionals regularly to better support and understand gestalt language processing.
