IMPORTANT MANDATORY IMMUNIZATION INFORMATION

Prior to class registration and housing assignments, all matriculated full and part-time undergraduate and graduate students must provide immunization information to meet the University and New Jersey state requirements. Compliance with these requirements is mandatory in order to begin the process of attending the university.

Required Immunizations:

All Students:

- Measles, Mumps, and Rubella—All students must provide vaccination documentation of two doses of measles, one dose of mumps and one dose of rubella vaccine given on or after the student's first birthday. Two MMR's will be accepted.
- Hepatitis B—All students must provide documentation of a completed series of three vaccinations or adolescent two dose series of Recombivax (for ages 11-15) against Hepatitis B.

Residential Students:

- Meningitis—All students who intend to live in college housing must show documentation of vaccination of one dose of the meningitis vaccine received after the age of 11 in addition to Measles, Mumps, Rubella, and Hepatitis B requirements.

Deadlines:

General Requirements: Two weeks after enrollment

Residential Requirements: Two weeks after housing acceptance

Failure to comply with the requirements listed will prevent registration for classes and/or housing eligibility.
