Dear President Bertolino,

I extend my sincere congratulations on your inauguration as Stockton University's sixth President. With your vast experience in higher education and deep commitment to social justice, I look forward to seeing the impact of your leadership.

From the start of your career at Barnard College, through your time with the City University of New York and Southern Connecticut State University, you have consistently demonstrated your passion for helping our institutions of higher education thrive. By developing key partnerships in surrounding communities, creating forward looking workforce needs-driven degree programs, and increasing alumni philanthropy, your leadership has supported the growth and stability of major universities.

It was great to visit the Stockton University Atlantic City campus recently and see firsthand the great work already being done. I hope we can work together to support higher education in our state. Please reach out if I can ever be of assistance. Congratulations again!

Sincerely,

Mikie Sherrill
Member of Congress
