- Valid file types for submission include PDF, Word, and Excel. The University highly prefers submissions as a single-combined PDF; however, not conforming to this preference will not affect evaluation.
- After a file is submitted, you will receive an on-screen, and email verification for your records. You may also view your submission in the ***Vendor Portal*** by selecting the option, '*View Submitted Proposals/Bids*.'

- Do not provide links to any external locations for files to be retrieved, as the University will reject any submissions in this manner.
- If multiple files are submitted with duplicative information (such as two '*Proposal Pages*'), then only the most recently uploaded version will be considered.

Evaluation and Selection Criteria:

An initial screening of all submissions will be conducted to determine overall responsiveness. Submissions determined to be incomplete or non-responsive may be disqualified. Submissions shall include all information requested on the Required Procurement Documents page of this RFP.

- F.** Stockton University may make changes in the general scope of the contract services provided by the vendor by written notice. The vendor shall promptly comply with the notice and shall bring all subsequent services in conformance with the notice.
- G.** If any such changes causes a material increase or decrease in the vendor's cost of operation or the time required for attainment of required service levels, an equitable adjustment in the contract cost or time allotted for fulfillment of the contract shall be negotiated and the contract modified accordingly. Any change, alteration or modification of any contract will be valid and binding only if a submittal of a proposal, vendor hereby agrees to negotiate on good faith.

The Vendor agrees to perform in a good, skillful and timely manner all services set forth in the Contract.
- B. The awarded vendor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall not in any way relieve the awarded vendor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the University, of any rights under the agreement or of any cause of action arising out of the awarded vendor's performance of the Contract.
- C. The acceptance of, approval of, or payment for any of the services performed by the awarded vendor under the contract shall not constitute a release or waiver of any claim the University has or may have for latent defects or errors or other breaches of warranty or negligence.
- D. In the event that the awarded vendor fails to comply with any material Contract requirements, the University's Vice President for Administration and Finance and Chief Financial Officer may take steps to terminate the contract in accordance with the provisions herein and/or authorize the delivery of Contract items by any available means, with the difference between the price paid and the defaulting awarded vendor's price either being deducted from any monies due the defaulting Vendor or being an obligation owed the University by the defaulting Vendor.
- E. If the awarded vendor fails to timely and adequately perform the obligations under the Contract, Stockton, in its sole discretion, shall have the right to pursue a claim in a court of competent jurisdiction against the Vendor for any resulting compensatory damages and consequential damages, and recover any and all reasonable attorneys' fees, and costs including but not limited to court costs, witness costs and consultant costs incurred pursuing the claim.
- F. Nothing in this Section waives Stockton's right to seek equitable indemnity, and all other available legal remedies, for any claim.

Where such a conference is conducted, the awarded vendor shall be afforded the opportunity to be heard on the matter in question. The University may appoint a duly authorized University representative to act on the University's behalf.

C. Precedence of Special Contractual Terms & Conditions

1. The Contract awarded as a result of this RFP shall consist of this RFP, all addendum to this RFP, the University's Standard Contract Terms and Conditions and the University's Service Provider Agreement incorporating these documents and signed by the Vendor and the University's Vice President for Administration and Finance and Chief Financial Officer or designee.
 - a. In the event of a conflict between provisions within the contract documents, the contract documents shall have the following order of priority:
 - Contract Agreement
 - RFP Addendum, by most recent issuance date
 - RFP Document
 - The University's Standard Contract Terms and Conditions

V. ADDITIONAL WORK AND/OR SPECIAL PROJECTS

- A. The awarded vendor shall not begin performing any additional work or special projects without first obtaining written approval from the University. In the event of additional work and/or special projects, the awarded vendor must present a written proposal to perform the additional work to the University. The proposal should provide justification for the necessity of the additional work. The relationship between the additional work and the base contract work must be clearly established by the awarded vendor in its proposal.

- B. The awarded vendor's written proposal must provide a detailed description of the work to be performed broken down by task and subtask. The proposal should also contain details on the level of effort, including hours, labor categories, etc., necessary to complete the additional work.
- C. The written proposal must detail the cost necessary to complete the additional work in a manner consistent with the Contract. The written price schedule must be based upon the hourly rates, unit costs or other cost elements submitted by the awarded vendor in the Vendor's original proposal submitted in response to this RFP. Whenever possible, the price schedule should be a firm, fixed price to perform the required work. The firm fixed price should specifically reference and be tied directly to costs submitted by the awarded vendor in its original proposal. A payment schedule, tied to successful completion of tasks and subtasks, must be included.
- D. No additional work and/or special project may commence without the University's written approval. In the event the awarded vendor proceeds with additional work and/or special projects without the University's written approval, it shall be at the awarded vendor's sole risk.

VI. REPRESENTATIONS & WARRANTIES

- A. The vendor has legal capacity to execute and perform any Agreement arising from this RFP.
- B. Any Agreement arising from the award of this RFP is a valid and binding Agreement, enforceable against the vendor according to its terms.
- C. The execution and performance of an Agreement by the vendor does not and will not violate or conflict with the terms of any existing Agreement or understanding of which the vendor is a party.
- D. The execution and performance of an Agreement by the vendor does not, and will not, violate or conflict with any law, rule, regulation, judgment or order of any court or other adjudicative entity binding the vendor.
- E. The vendor knows of no reason, or is any way physically, legally, or otherwise precluded from performing the obligations under an Agreement arising from this RFP, in accordance with its terms; including without limitation those relating to health and safety.
- F. Such warranties shall survive and shall not be deemed waived by delivery or acceptance of, or payment for the goods and services.
- G. The proposer warrants and represents that the items and/or services, when delivered, shall meet or exceed all applicable standards as mandated by State and Federal regulation.

VII. DEFAULT

- A. In case of failure to deliver goods or services in accordance with the contract(s) terms and conditions, Stockton University, after due oral or written notice, may procure substitute goods or service from other sources and hold the vendor(s) responsible for any resulting additional purchasing and administrative costs. This remedy shall be in addition to any other solution, which Stockton University may have.

VIII. SUBMISSION ERRORS

- A. A Proposer may request that its RFP proposal be withdrawn prior to RFP opening. Such request must be made, in writing, to the Director of Procurement & Contracting. If the request is granted, the Proposer may submit a revised RFP proposal as long as the revised RFP proposal is received prior to the announced date and time for the opening of RFP proposals and at the place specified.

- B. If, after the opening of RFP proposals, but before contract award, a Proposer discovers an error in its RFP proposal, the Proposer may make written request to the Director of Procurement & Contracting for authorization to withdraw its RFP proposal from consideration for award. Evidence of the Proposer's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the RFP proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the Proposer's exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the RFP proposal.
- C. If, during the evaluation of RFP proposals received, an obvious pricing error made by a potential contract awardee is found, the Director of Purchasing shall issue written notice to the Proposer. The Proposer will have five days after receipt of the notice to confirm its pricing. If the Proposer fails to respond, its RFP proposal shall be considered withdrawn, and no further consideration shall be given it.
- D. If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the Proposer's intention is not readily discernible from other parts of the RFP proposal, the University may seek clarification from the Proposer to ascertain the true intent of the RFP proposal.

IX. SUBCONTRACTING

- A. Any Contract pursuant to this RFP shall not be subcontracted without the prior written approval from the Director of Procurement & Contracting to any other person, company, corporation, firm, organization or agency. At the time of proposing, the vendor shall submit a list of Subcontractors, the type of work performed, and other pertinent data so as to qualify the Subcontractor's capabilities.

X. SALE OR BANKRUPTCY OF BUSINESS

- A. If during the life of this Agreement, the awarded vendor disposes of its business by sale, transfer, force of law or by any means to another party, all obligations are transferred to such purchaser. In this event, the new owner(s) may, in Stockton University's discretion, be required to submit a performance bond in the amount of the value of services to be delivered pursuant to this Agreement.
- B. In the event of the institution of any proceedings by or against the awarded vendor, voluntarily or involuntarily, in bankruptcy or insolvency, or under the provisions of the Federal Bankruptcy Act, or for the appointment of a receiver or trustee or an assignee for the benefit of creditors of the property of the vendor, Stockton University shall have, in addition to the rights previously stated, the right to cancel this Agreement forthwith.

XI. INDEMNIFICATION

- A. The Vendor will indemnify, defend and hold harmless the University, its employees, representatives, and agents from and against any and all losses, suites, claims demands, fines, penalties, awards, damages, costs and expenses as well as reasonable attorney fees and court costs arising out of or in connection with:
 1. Any negligence, default, breach, errors or omissions by the Vendor of obligations under this Contract; or

2. Violations or non-compliance with federal, State, local or municipal laws & regulations ordinances, building codes (including Americans with Disabilities Act, OSHA Environmental Protection Act) arising from the performance of this Contract or arising out of conditions created or caused to be created by the Vendor, its agents, employees and Subcontractors.
- B. The University is a State entity under and subject to the provisions of N.J.S.A. 18A:64-1 et seq. prohibiting it from providing indemnification to entities not specifically cited in N.J.S.A. 18A:64-82. Any Contract signed on behalf of the State of New Jersey by a State official shall be subject to all of the provisions of the New Jersey Tort Claims Act (N.J.S.A. 59:1-1 et seq.), the New Jersey Contractual Liability Act (N.J.S.A. 59:13-1 et seq.), and the availability of appropriations.
- C. Vendor shall reimburse, and make good to the University all monies, which the University or its representatives shall pay, or cause to be paid, or become liable to pay, by reason of such claims, or in connection with any litigation, investigation or other matters connected therewith.
- D. This indemnification obligation is not limited by, but is in addition to the insurance obligations contained in this agreement.

XII. INSURANCE

- A. Vendor agrees to obtain and maintain, at its sole expense, the insurance coverage described below. All insurance must be placed with an insurance company licensed to conduct business in the State of New Jersey and maintaining an A.M. All insurance required herein shall be written on an Occurrence basis, unless otherwise noted, shall contain a waiver of subrogation in favor of Stockton University and the State of New Jersey, and will be in effect no later than 12:01 A.M. at the start of the day of the contract and must remain in effect for the duration of the contract, including any extensions.
- B. Vendor agrees that no insurance policy will be cancelled, reduced, or revised without thirty (30) days prior written notice to Stockton University. In addition, required insurance will be primary to any other insurance available and any limitations of Vendor's insurance will not relieve the Vendor of its indemnification responsibilities to Stockton University and the State of New Jersey per the *Indemnity* section of this project.
- C. All such policies shall name Stockton University and the State of New Jersey as "Additional Insured." The New Jersey Educational Facilities Authority shall also be named as an additional insured for buildings in which their interests appear.
- D. The Vendor shall show evidence of, prior to the commencement of services, and maintain, at its own expense, until final acceptance by the University of all services required under the Agreement, insurance for liability for damages imposed by law and assumed under the Agreement, of the kinds and in the amounts hereinafter provided, with insurance companies authorized to do business in the State of New Jersey. The University prohibits capping liability to anything less than the liability insurance coverage.

If this policy is written on a claims-made policy form, Vendor agrees that upon termination of the claims-made policy a retroactive reporting policy (tail policy) will be purchased to provide coverage for events that occurred prior to the termination date of the claims-made coverage and are not reported until after the termination date.~~
7. Pollution Legal Liability insurance policy, if applicable to the services performed under this contract, in minimum amounts of two million dollars (\$2,000,000) per occurrence. F. Vendor shall bear all costs of all policy deductibles.

- G.** Vendor may, if they so desire, include with their proposal the applicable certificates of insurance or upon request by the University. This will expedite the contract award process for the awarded vendor.

- J.** Stockton University, as a State funded University, will not indemnify vendors in any form.

XIII. DIANE B. ALLEN EQUAL PAY ACT

- A.** Please be advised that in accordance with P.L. 2018, c. 9, also known as the Diane B. Allen Equal Pay Act, which was signed into law by Governor Phil Murphy on April 24, 2018, a vendor performing "qualifying services" or "public work" to the State or any agency or instrumentality of the State shall provide the Commissioner of Labor and Workforce Development a report regarding the compensation and hours worked by employees categorized by gender, race, ethnicity, and job category. This requirement is a precondition to entering into a University contract.

XV. SET-OFF FOR STATE TAX

- A. Please be advised that, pursuant to P.L. 1995, c. 159, effective January 1, 1996 and codified at N.J.S.A. 54:49-19 and N.J.S.A. 54:49-20, and notwithstanding any provision of the law to the contrary, whenever any taxpayer, partnership or S Corporation under contract to provide goods or services or construction projects to the State of New Jersey or its agencies or instrumentalities, including the legislative and judicial branches of State government, is entitled to payment for those goods and services or construction projects, at the same time a taxpayer, partner or shareholder of that entity is indebted for an State tax, which pursuant to N.J.S.A. 43:21-14.4 also includes any indebtedness greater than or equal to \$300 that is due to the Unemployment Compensation Fund, the State Disability Benefits Fund, and the Family Temporary Disability Leave Account, the Director of the Division of Taxation of the Office of Management and Budget shall seek to set-off that taxpayer's, partner's or shareholder's share of the payment of that indebtedness.
- B. The amount set-off shall not allow for the deduction of any expenses or other deductions which might be attributable to the taxpayer partner or shareholder subject to set-off.
- C. The Division of Taxation may initiate procedures to set-off the tax debt of a specific vendor upon the expiration of ninety (90) days after either the issuance by the Division of a notice and demand for payment of any State tax owed by the taxpayer or the issuance by the Division of a final determination on any protest filed by the taxpayer against an assessment or final audit determination. A set-off reduces the contract payment due to a vendor by the amount of that vendor's State tax indebtedness or, in the case of a vendor-partnership or vendor-S Corporation, by the amount of State tax indebtedness of any member-partner or shareholder of the partnership or S Corporation, respectively. N.J.A.C. 18:2-8.3.
- D. C. Prevailing wage rates are wage and fringe benefit rates based on the collective bargaining agreements established for a particular craft or trade in the locality in which the public work is performed. In New Jersey, these rates vary by county and by the type of work performed. Applicable prevailing wage rates are those wages and fringe benefits in effect on the date the contract is awarded. - 3.** **T** = Total Rate per Hour

E. When the Overtime Notes in the Prevailing Wage Rate Determination state that the overtime rates are "inclusive of benefits," the benefit rate is increased by the same factor as the wage rate (i.e. multiplied by 1.5 for time and one-half, multiplied by 2 for double time, etc.).
