

Freshman Registration Checklist

General checklist

- Register for all required First-Year Studies Program (FRST) courses (unless you tested out). If you are not sure, please check your Degree Works or the letter you may have received or visit their website for course information.
- Take a Quantitative Reasoning (Q1) or Writing Intensive (W1). Introductory Math courses (except developmental math) are Q1 courses.
- Review campus location for each class selected (If on multiple campuses, ensure there is an allowance of at least half an hour for travel time).
- Register for a Freshman Seminar (only take one – course begins with 10XX)
- Check to make sure you have the correct number of credits to be a full-time (at least 12) or part-time (fewer than 12) student.
- A NAMS full-time freshman may typically take:
 - Math course (4 credits)
 - Science course with lab (4-5 credits)
 - Second science course with lab (4-5 credits)
 - Freshman seminar or writing course (4 credits)

Once you finished registering

- Have an advisor in your Zoom room review and approve your schedule. Print schedule and have it checked by Talon.
- Complete emergency contacts in Go Portal (text message and general).
- View your bill (or use the “Bill Estimator”). Print bill.
- Complete electronic survey regarding virtual orientation experience

Transfer Student Registration Checklist

General checklist

- Review campus location for each class selected (If on multiple campuses, ensure there is an allowance of at least half an hour for travel time)
- Consider taking a transfer seminar
- Take a balanced course load of less difficult and more difficult courses
- Examine to make sure you have the correct number of credits to be a full-time (at least 12) or part-time (fewer than 12) student
- Check that no courses you have registered for fall into “courses not used” on Degree Works

Once you finished registering

- Have an advisor in your Zoom room review and approve your schedule. Print schedule and have it checked by Talon.
- Complete emergency contacts in Go Portal (text message and general)
- View your bill (or use the “Bill Estimator”). Print bill.
- Complete electronic survey regarding virtual orientation experience
