

Dear Stockton Student:

Registration for Fall 2023 is coming up fast. There are two precepting days with no classes this term: March 29 and April 4. **It's time to schedule an appointment to meet with your preceptor regarding fall scheduling and your academic goals.** Typically, Juniors and Seniors meet their preceptors on March 29 and First-Year and Sophomores meet on April 4<sup>th</sup>.

Every spring, students can evaluate their assigned preceptor. In exchange for meeting with your assigned preceptor and completing the preceptor evaluation, your registration time will be moved to an earlier time. The name of your preceptor is listed in Degree Works. You can email your preceptor directly from Degree Works.

**If you have been meeting with someone other than your assigned preceptor and wish to change preceptors, you must do so immediately.** To change preceptors, contact the faculty member that you want to be your new preceptor and request the change. Your new preceptor will submit the request to change your preceptor through their Stockton goPortal. **All preceptor changes must be made by Thursday, March 23, 2023, at 4:00pm.** Therefore, if you plan to change your preceptor, contact the new preceptor as soon as possible, so there is enough time to make the change. Late preceptor changes will not be processed until April 13, 2023.

You may only evaluate your assigned preceptor to obtain the earlier registration time. Once you have met for precepting, your assigned preceptor will electronically record the meeting with you. Your assigned preceptor can electronically record your precepting meeting beginning on March 24. After your preceptor has recorded the meeting, you may access the evaluation form at:
