

**STOCKTON UNIVERSITY  
AHERA CONTRACTOR ACKNOWLEDGMENT**

As a representative of the firm described below, I acknowledge that I have been informed concerning the presence of asbestos containing building materials in proximity to the areas in which I am to perform contractual work. I further acknowledge that I will provide this information to any and all employees, sub-contractors, or other individuals that I may bring into these areas to assist in performing my contractual obligation. It is understood by myself and the firm I represent that this acknowledgment does not make **Stockton University** liable for any materials uncovered during the course of the contractual work, nor does my acceptance of this acknowledgment extend any liability to the **Stockton University** if my work disturbs any of the asbestos containing building materials.

Acknowledgment Read and Understood,
