Galloway, N.J. – Stockton University has released its Spring 2016 Dean's List, including students from your area. The spreadsheet is organized by county for your convenience. You will find the students' name, year, major, home town, county, and zip code, and you can sort the list by any of the categories. Please use the **Control + F** (Command + F on Mac) search feature for key word search purposes.

Stockton University's Dean's List is generated each fall and spring term. Students earning 12 or more credits in a given term are considered for the Dean's List using the criteria for full-time students. Students earning between eight and 11 credits are eligible for the Dean's List using the criteria for part-time students.
