Galloway Township, NJ- Circle K International at The Richard Stockton College of New Jersey will be collecting three dollar donations in support of the Atlantic City Rescue Mission.

Each donation will purchase a whole Thanksgiving meal for someone in need. Circle K will be collecting donations via tabling throughout the College and by stopping at campus offices. Donations can also be dropped off in the Circle K office mail box in G-213 on the Galloway Township campus.

Elise Finley said, "With your help we can give those with so little something more this holiday! What a wonderful and easy way to give back to the community. I hope many people decide to help fellow men and women with a small donation."

Circle K International is a campus community service organization that meets the personal needs of the individual collegian through the qualities of leadership, the rewards of service, and the unique spirit of friendship.
