**President's Report to the Stockton Community:
March 28th, 2017**

Welcome back from Spring Break. We've had a busy month as a Senate. Thank you to everyone who attended the State of the University Address on Wednesday March 1st, and to Dr. Kesselman for updating the student body on current projects and initiatives of the University. Our campus walk and lunch with Dr. Kesselman this past Thursday on March 23rd was also a success. To enhance communication between students and the administration, I asked Dr. Kesselman to consider adding Student Senate representation on the University's Leadership Council. Dr. Kesselman accepted our request, I appreciate his willingness to promote, and practice shared governance on our campus. I have asked the PR committee to assist me with a social media campaign that encourages students to reach out to us with all their concerns as well as any institutional changes they would like to see at the University. Our goal is to consistently and efficiently address student concerns and facilitate necessary change with administrations.

As many of you may recall last spring the Faculty Senate's Module Task Force conducted a survey to measure the campus community's preference for the meeting module. 52% of students who took the survey preferred 4:30 pm, while 48% of students stated that 4:30 pm is not convenient. Additionally, most students preferred a meeting module between 2 and 6 pm. One of the Faculty Senates recommendations was a start time between 12 and 2pm, and they specifically recommended a meeting module that began at 12:30pm. We believed that this recommendation did not reflect the best interest of our constituents and we expressed those concerns at the Faculty Senate's meeting this past Tuesday, March 21. The University has tasked the Senate with gathering students input in this matter. Our survey asks students whether they prefer 12:30pm, 2:30pm or 4:30pm. Overwhelmingly thus far, students prefer a 4:30 meeting module. As a Senate, we believe in doing what is best for our peers while balancing the needs of the University and we look forward to achieving the best possible solution. I have been meeting with Faculty Senate President Dr. Brian Tyrrell weekly to ensure an open line of communication, and I deeply appreciate his cooperation and sincerity in this matter. Our survey will remain open till 5 pm this Friday, and we will again meet as a Full Senate next Tuesday, April 4th to discuss the survey results and a resolution.

I have also been in touch with the Stockton Federation of Teachers to learn about how students can support their faculty members and professional staff as they fight for a fair and equal contract. I will give more updates as this develops. On March 9th I attended the Access and Affordability Task Force as the student representative. The Task Force is researching different practices and initiatives that can help make Stockton more affordable, including assessing tuition, meals, textbooks, etc. If you have any ideas you would like to contribute please let me know, or please directly reach out to Dr. Pedro Santana. Lastly, I have been approached by the Unified Black Student Society to consider

2016-2017 Student Senate Meeting Minutes
First: Minutes from February 28th, 2017 (Full)
Second: Minutes from Committee

passing a Senate resolution requesting that the University indefinitely raise the Pan-African flag. I look forward to meeting with Mahalia Bazile, UBSS President and Dr. Brian Tyrrell to discuss this initiative next week and I will update you with developments as soon as I can. Our last full meeting of the year will be on April 25th at 4:30 pm in the BOT; we look forward to seeing you all for our last meeting!

**Vice President's Report to the Stockton Community:
March 28th, 2017**

Vice President Dambroski would like to wish all students and preceptors a happy precepting day. She would have to admit that planning for her senior year is quite exciting while sad all at once! Make sure that if any students did not have a chance to meet with their preceptor today they do sometime prior to scheduling, or our second preceptorial advising day on April 5th. The bike program is underway and should be ready shortly for a soft pilot during the conclusion of our spring semester and hopefully ready for a full launch in the Fall of 2017. As a reminder, Vice President Dambroski would like to announce, as an early reminder for all student organizations, to mark your calendars for April 6th at 4:30pm. This date will serve as our last Inter Club Council Meeting for the 2016-17 school year! The Student Senate election season has begun! Be sure to be a part of it, come out to meet the candidates tonight and chat with some of your potential Student Senators. Vote on April 18th- April 20th!

The intent of the committee would be to convene once a month. Possible collaboration with the Public Relations committee was discussed to enhance attraction to the library and its resources such as the e-book collections, color printing, scanners, and more. The leisure reading survey results showed 293 out of 330 students are interested in having a best seller section added. A debate between having print or electronic copies for leisure reading was discussed with the goal to research other libraries and schools to see what they are doing when it comes to renting e-books. Agenda:

The Government Affairs committee worked very hard on Pizza and Politics! About 30-40 people attended and it was a success. Freeholder Amy Gatto, Mayor Lisa Jiampetti, Freeholder Alex Marino, and Councilman Kaleem Shabazz presented and talked about the importance of local government. Senator Patel is researching a way to provide voting booths on campus for the primary elections in June. I attended a meeting based on feedback from the students concerning the Atlantic City Campus. Students were mostly concerned about parking because the lot as of right now is going to be used for Gas company employees and then opened to the public. So every Student was against it being opened to the public, since there will be 500 residential students/faculty/commuters that are taking a class there/ we can't forget guests! If we had the lot opened to the public a lot of people interested in going to the casinos would just park there for free and it would be a mess! That was a key point.” Our next project will be to work side by side with the republican and democrat clubs, to make connection with our peers and help provide a helping hand to their future events.

New Senators will be sworn in the following Tuesday, April 25th, at the last full meeting of the semester in the Board of Trustees Room. A new flyer was posted on Senate’s social media, and the committee is working on doing more in this area. Looking toward the fall election, Monica and Tom tabled at “A Day in the Life”, an event for admitted students to come and visit Stockton. The student affairs committee has been working with Chartwells and SASI on Weekend Dining this month. For the weekends of March 28th-29th, April 1st-2nd, and April 8th-9th, there will be extended hours and some new locations open. Try to take advantage of these expanded options so that we can continue to have more options in the future.

Because of some scheduling conflicts, the Transportation Town Hall is being changed. In its place, there is going to be an End of the Semester Town Hall Event. At this event, students will be able to come and learn about changes that will be happening for next year and give their opinions about what they want to see. The topic for the first half of the event will be transportation and the topic for the second half will be dining. The time and location are TBD. Also, I wanted to remind everybody about the Questions and Concerns form that we have available on the senate page that students can use at any time.
